kenzi's causes

In 2019 our Toy Shop program gave away 101,291 items to children including those served at all of our toy shops and through our nonprofit partners. The items were collected and ordered through our Toy Shops program to help change the lives of children in our communities. Our annual holiday Toy Drive in Colorado serves children who would not otherwise have toys during the holidays. At this

annual event, families are also provided with community resources to help improve their lives and the lives of their children.

Kenzi's Causes partners with more than 100 agencies around the state including schools, health and human services, foster care organizations, hospitals, churches, nonprofits, and shelters. In addition we partner with six agencies

to work with families in our Kenzi's Kidz program. By partnering with these organizations we are able to **impact and serve** a greater number of children and families in the most need. From our headquarters in Denver we serve clients all over the state including Denver, La Salle, Fort Collins, Monte Vista, Colorado Springs, Granby, Greeley and Pueblo.

mission

TO SUPPORT UNDERPRIVILEGED CHILDREN AND THEIR FAMILIES IN COLORADO BY PROVIDING TOYS, FOOD, AND MORE DURING THE HOLIDAYS, SCHOOL SUPPLIES AND CLOTHING DURING THE SCHOOL YEAR, AND ASSISTING FAMILIES THROUGH COMMUNITY OUTREACH, FINANCIAL PLANNING AND PROFESSIONAL SUPPORT.

celebrating 10 years

Kenzi's Causes (formerly Dolls for Daughters) is a 501(c)3 non-profit organization (EIN: 26-4678835). Our MISSION is to support underprivileged children and their families in Colorado by providing toys, food, and more during the holidays, school supplies and clothing during the school year, and assisting families through community outreach, financial planning and professional support.

Kenzi's Causes was founded in 2007 after our executive director and founder, Jessica Bachus, gave birth to a stillborn daughter: Kenzi. Through her grief, Jessica has grown Kenzi's Causes from a handful of dolls given out that first Christmas time to over 10,648 families being impacted by

IN JUNE 2018 DOLLS FOR DAUGHTERS® & KENZI'S KIDZ BECAME KENZI'S CAUSES. THIS CHANGE WAS MADE TO ENCOMPASS OUR VISION FOR THE FUTURE AND THE ADDITION OF OTHER PROGRAMS THAT IMPACT LOW-INCOME CHILDREN IN COLORADO. MOVING FORWARD OUR PROGRAMS WILL REMAIN THE SAME BUT WE WILL BE KNOWN AS KENZI'S CAUSES.

our three programs all across the state of Colorado over the last 10 years. Since 2007, we have donated over 654,448 toys and backpacks to underprivileged children in Colorado.

As you can see, with such amazing growth in just 10 short years—Kenzi's Causes is a community partner that is on the rise and continues to give more and more to Colorado kids in need. That's why we need you: corporate sponsors are the lifeblood of our mission and in 2020 we will support several Colorado communities through our annual **Dolls for Daughters and Toys for Boys Toy Shop, Packz 4 Kidz, and Kenzi's Kidz programs.**

KENZI'S KIDZ

Alexis & Tino | Kenzi's Kidz Family | 2018-2019

“ Kenzi's Kidz has impacted our family so positively in just one year. The love, encouragement and support we've received has helped us on our journey and given us hope! Being invited to the events and the gifts our children receive mean so much. We're also so grateful for the relationships we've been able to establish and the admirable women who make it all happen! ” —ALEXIS & TINO, HOPE HOUSE

In 2019 Kenzi's Kidz supported **5** families

In 2010 **Kenzi's Kidz** was launched—a program that helps relieve the financial burdens of low-income families who are taking necessary steps to create a stable environment for their children. Kenzi's Kidz gives the children in these families the fundamental items needed to succeed in school, such as school supplies,

clothing, extracurricular activities and birthday and holiday gifts for a year. Currently Kenzi's Kidz sponsors five families who qualify for the program. Kenzi's Kidz also provides support and resources to alumni families.

PACKZ 4 KIDZ

As a part of our original Kenzi's Kidz program, **Packz 4 Kidz** began providing backpacks and school supplies for the children who were a part of, or alumni of, the program. In 2015, we expanded the program outside of our Kenzi's Kidz program to include any family in need of assistance.

As the number of children in the program has grown, so has the number of backpacks and school supplies that we need for them. In 2019 we gave away **3,374 new backpacks** full of supplies to the children of **540 families** in Denver and Rifle, Colorado. The majority of the families received assistance from our Packz 4 Kidz program for the first time.

To provide as many children as we possibly can with backpacks and school supplies this fall, we hope you will consider supporting us with donations or as a sponsor. School supplies are ordered from a wholesaler to keep the cost down for each backpack.

“ I have been volunteering with Dolls for Daughters and Kenzi's Kidz for the past 3 years. I have loved every minute of it. This organization puts on so many great events to help give back to the community, which makes being involved with them even more special. I love being able to make a positive impact on the lives of so many people. ”

OUR HEROES

Volunteers are a critical part of our organization, helping us with a variety of events, activities and behind the scenes. Some of our volunteers help once a year and others help all year long—any time we need them.

Our volunteers are our Kenzi's Causes HEROES. Thank you for making a difference in our communities.

YOU CAN BE INVOLVED as a volunteer: info@kenziscauses.org.

“Volunteering for Kenzi's Causes has definitely changed my volunteer perspective. Working along side others to make a difference in the lives of children in the Denver area has been so rewarding. Seeing smiles on children's faces, from the backpacks, to Christmas gifts, to birthday presents, and just seeing changes in the families I have gotten to know creates such joy in my heart. I will continue to volunteer for this fantastic organization and the people it provides assistance to.” —PATRICIA PERKAL

*Due to timing differences in the proper recognition of revenue (upon receipt) and expenses (upon disbursement) of in-kind donations, the 2019 Profit and Loss is showing a net loss. We received goods in 2018 that we held in inventory through 2019 to give away at the annual Pack 4 Kidz event and Dolls for Daughters and Toys for Boys Toy Shop. The revenue was therefore recognized in 2018, while the expense was not recorded until 2019 when the items were taken out of inventory.
