## What our **KENZI'S KIDZ** families say...

“ In addition to the material and financial support, Kenzi’s Causes has provided our family with a tremendous amount of emotional and community support. The staff, volunteers, and other families in the program are all amazingly kind and caring and have become such important people in our lives. I do not know what we would do without them.

— Ashley Eastman ”

“ Kenzi’s Causes has helped me and my children survive. They have reassured us that people care to help those that are still finding their way in life. They have accepted us and treated us as family. We are forever grateful for all this program does. ”

— Tonya Tolliver

“ After leaving Warren Village— I lost that sense of connection. Kenzi’s Causes has helped fill that community piece. Kenzi’s Causes has given all of us opportunities to have experiences that we would have never normally had.

— Barbara Stewart ”

“ Kenzi’s Causes has impacted my family’s lives by always being there when we need it. When we weren’t able to get food we needed or necessities such as soap...Kenzi’s Causes helped in any way they could with donations or providing resources. Kenzi’s Causes helps every Christmas when times are rough and we fear we won’t provide a good Christmas for the kids.

— Marisa Molina ”

Kenzi's Kidz in 2022

**KENZI'S KIDZ program** helps relieve the financial burdens of low-income families who are taking necessary steps to create a stable environment for their children.

Over the year, Kenzi's Kidz' assists in providing the children in these families with fundamental items needed to succeed.

These services help increase the long-term stability of their household and provide essential supplies and outlets that would otherwise be unavailable, and empower our fellow neighbors in need. People-families-no different from our own.

Monthly **Events** create special experiences for our Kenzi's Kidz families. These open opportunities to discover connection and community and provide support and resources for the families. That is the heart of what Kenzi's Kidz family is about.

Our **TOY SHOPS** is what fuels the first part of our organizations mission—to support underprivileged children and their families in Colorado by providing toys, food, and more during the holidays.

Not everyone is fortunate enough to have a holiday budget. There are thousands of families right here in your community who can't provide gifts for their children. We serve those families, because we believe that no child should have to go without.

In 2022, our Toy Shop program impacted 18,682 children. Our toy shops welcome in excited, gratitude-filled families to receive toys for their children. **Consider supporting us with donations or as a sponsor.** Help **bring joy** to as many children as possible with gifts for the holidays.
