# Dolls For Daughters & Toys For Boys Toy Shop

2025 will mark the 17<sup>th</sup> annual *Dolls for Daughters and Toys for Boys Toy Shop*, which will be held at sites in Denver, Rifle, Pueblo, Longmont, Fort Collins, and Colorado Springs. In addition, we support children in Avon, Greeley, and Grand County.

By giving toys, bikes, crafts and more to the children we serve, Kenzi's Causes delivers critical supplies that allow children to learn and develop, even when their families are struggling to put food on the table. Kenzi's Causes also provides dental kits, and access to free flu shots for all individuals that attend our Denver Toy Shop, making the program a one-stop-shop for aiding the educational and health needs of Colorado's most at-risk children.

Our organization brought joy and smiles to **16,651** children in the 2023 holiday season. In 2024, we plan to serve children in Colorado from Longmont, Avon, Denver, Fort Collins, Grand County and all the way to Pueblo through all programs. Our goal for 2025 is to serve **18,000** children.

# Packz 4 Kidz

Since 2015, the Packz 4 Kidz program has provided backpacks with school supplies, lunch boxes and water bottles to low-income children as well as to *Kenzi's Kidz* participants who would otherwise have had to start the first day of school without proper supplies.

In 2016, this program provided 329 new backpacks full of school supplies to children in need and the program has tremendously grown since then in providing **8,041** children in need in 2024. Since 2016, we have impacted 31,758 children across the state. This program impacts children in Denver, Greeley, Avon, Colorado Springs, and Pueblo.

Our goal for 2025 is to serve **8,000** children and to expand our Packz 4 Kidz giveaway and to expand into all toy shop locations.

kenzi's causes

In 2010, the *Kenzi's Kidz* program was launched to help relieve the financial burdens of low-income families who were taking necessary steps to create a stable environment for their children. Each year, four - six (4-6) families in need are chosen. Over the course of one year, the *Kenzi's Kidz* program helps provide children of these families with fundamental items to succeed, providing educational supplies, access to extracurricular activities, and gifts for birthdays and holidays.

Parents also receive direct assistance through financial planning services, CNA (certified nursing assistant) certification courses, car repairs, etc. These services relieve the financial burdens on families, help them to increase the long-term stability of the family, and provide critical school supplies and outlets for cognitive stimulation that would otherwise be unavailable to the children of participating families due to their significant financial constraints.

Since 2010, Kenzi's Causes has helped 202 children and 64 families with 54 single parent households through the Kenzi's Kidz Program from partnering with other non-profit organizations across Colorado:

- Warren Village
- Hope House
- Crossroads Safehouse
